Logan Perryman

UX Designer • Quincy, MA 02169• (703) 498-7126

loganperrymanux@gmail.com • www.loganperrymanux.com

End-to-end UX Designer with over 2 years of UX experience, coupled with 10 years in visual design and leadership roles. Thriving in Agile environments, I am driven to solve problems through research and cross-functional collaboration, and create delightful experiences for all users.

WORK EXPERIENCE

Victorious

UX Designer   02/2023-03/2024

- Enhanced user experience by designing a keyword rank tracking tool, achieving a 15% boost in operational efficiency through strategic UX design and responsive system implementation.
- Led user research initiatives, including usability evaluations and user interviews, complemented by competitive analyses, to drive product differentiation and effectiveness.
- Partnered with stakeholders and cross-functional teams to define product objectives and requirements for marketing professionals and SEO strategists.
- Created wireframes, UI components, design system updates, and high-fidelity prototype interactions for feature enhancements.

Associate UX Designer   05/2022-02/2023

- Collaborated with multidisciplinary teams to develop user flows, user stories, and competitive analysis, directly informing design strategies and solutions.
- Owned UI design by completing wireframes and prototypes while working within a growing design system, aligning visual design with business objectives and user needs.
- Presented design concepts and research findings effectively, facilitating a collaborative environment that drives continuous improvement and innovation in digital product experiences.

VEU Inc

UI Designer (Contract)   01/2022-05/2022

- Collaborated with leadership, concept artists, and engineers to design a user-centric interface for the "Enterverse," a VR entertainment platform.
- Created UI assets, wireframes, prototypes, and high-fidelity mockups that founders are using to raise funding for full production.
- Worked alongside marketing in designing the initial web layouts for the "Enterverse" website.

Custom Ink
Store Manager   11/2019-12/2021

- Drove significant account growth and enhanced sales through exceptional management and the development of a call coaching program, which improved team efficiency in outreach and customer relations.
- Strengthened cross-departmental collaboration by representing the stores team at tech roundtables, providing critical feedback on new initiatives, and created impactful presentations to articulate monthly goals and OKRs.

Graphic Artist   01/2014-10/2018

- Crafted vector designs and illustrations tailored to diverse client needs, ensuring alignment with industry print standards.
- Mastered Adobe Creative Suite, employing advanced techniques in visual design, typography, and color theory.

Muse Paintbar
Studio Manager & Lead Artist   09/2016-10/2019

- Developed and implemented diverse teaching methodologies to enhance artistic skills, led large-scale painting and entertainment classes for over 50 participants, managed the onboarding and training of new artists through effective coaching, and spearheaded the inaugural art show for the company.
